THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D. C. 20505

Intelligence Community Staff

IC 75-1351
11 February 1975

MEMORANDUM FOR: See Distribution List

SUBJECT: Cyprus Post-Mortem Meeting

1. At the suggestion of the Director of Central Intelligence, USIB consideration of the IC Staff's post-mortem report on Cyprus has been postponed. This was done in order to permit us to convene a meeting of appropriate community officers concerning reactions to this report. Accordingly, we ask you please to designate a representative from your organization to attend a session on this subject in Room 6E0708, CIA Headquarters Building, on Wednesday, 19 February, at 1000. We will not seek coordination of this report (this would run counter to the objectives of a post-mortem exercise), but would welcome comments concerning specific facts, interpretations, and judgments.

2. Please notify [redacted] of your plans for attendance.
